WORK EXPERIENCE

Autorovers — Full-Stack Developer (Independent Project) Nov 2024–Present
Tech: .NET 8, ASP.NET Core, SQL Server, EF Core, React, TypeScript, JWT

- Shipped a production vehicle catalog platform with public UI and secure admin dashboard
- Built REST APIs supporting full CRUD workflows with validation, slug routing, and role-protected endpoints
- Implemented JWT auth for admin access and secured sensitive operations behind authorization policy
- Developed React + TypeScript admin UI enabling create/edit/delete with real-time API integration
- Designed domain/data models and migrations with EF Core + SQL Server for scalable data handling
- Productionized frontend and backend with environment-based configuration and release-ready builds

PKZEE LLC | ***Software Engineer Intern*** Jun 2024-Mar 2025
Tech: .NET 6, MVC, REST APIs, React TypeScript, Playwright, Azure DevOps

- Built and shipped a full-stack coaching portal using a .NET backend and React + TypeScript frontend
- Increased regression confidence by ~40% by designing and maintaining Playwright-based automation suites
- Developed a progress-tracking dashboard to visualize user learning and engagement metrics
- Improved test maintainability and scalability using Page Object Model (POM) architecture
- Participated in code reviews and Agile ceremonies, contributing to feature delivery and quality improvements

Blinkit | *Senior Executive* Mar 2025 -Jun 2025

- Managed multi-location operations with SLA tracking, audits, and daily performance dashboards
- Worked with SAP ERP for reporting, vendor coordination, and cost control across high-availability environments
- Led cross-functional teams and enforced process discipline in time-critical, operationally intensive setups

SKILLS

- Languages: C#, TypeScript, JavaScript, Python, SQL
- Backend: ASP.NET Core, .NET 8, EF Core, REST APIs, JWT Authentication
- Frontend: React, TypeScript, Vite, SCSS
- Testing: Playwright, Selenium
- Databases: SQL Server, PostgreSQL
- CI/CD & Tools: Azure DevOps, GitHub Actions, SSMS, VS Code

EDUCATION

BMS College of Engineering | *Bachelor of Engineering* Dec 2021 – Jun 2025
